Minutes:

STEVEN BROWN and ROBERT COMPTON, Farmers Insurance, were invited to the podium by MAYOR GOODMAN.

MR. BROWN summarized the survey process and criteria used to determine that Las Vegas ranked in the top three as one of the most secure large cities. He described Farmers' commitment to safety as well as to the Las Vegas community where they have done business for 71 years. They take pride in being a good corporate citizen and are very proud of the City and the metropolitan agencies. MAYOR GOODMAN expressed appreciation for the recognition, especially since Las Vegas sometimes gets an undeserved bad reputation.
